Any other information

For any candidates that have qualifications from another EU country, you will need to gain the equivalence of these in Malta. You can obtain this from an ENIC NARIC centre in your country or via the ENIC NARIC in Malta (MQRIC). MQRIC accept applications by email on qric.malta@gov.mt . Should MQRIC request clarification or further information regarding an application, they will contact you for such clarification and information. A receipt by email will be issued for all valid submissions. MQRIC expect all clients to submit their applications from their personal email directly to them. In the rare event that an applicant has no personal email, a scanned letter of authorization is requested to verify that email being sent by third user on their behalf is under authorization. More information can be found at this link https://ncfhe.gov.mt/en/services/Pages/All%20Services/mqric.aspx.

How to apply

Please submit your CV in English and quote the vacancy title in the covering email. Address this email to eures.recruitment.jobsplus@gov.mt and cc: eures@regione.sicilia.it
