VACANCY

The Institut Laue-Langevin (ILL), situated in Grenoble, France, is an international centre for scientific research. It is Europe's leading facility for neutron research and receives over 2000 visits a year from scientists attracted to the centre to carry out world-class research.
Are you interested in working in this international organisation?
We currently have a vacancy for a:

Security and reception officer (F/M)

Duties:

You will join the Site Security and Reception team in the ILL's Reactor Division, responsible for site surveillance on a round-the-clock basis. Your duties will be to:

- welcome the visitors entering the site and perform the necessary site access formalities;
- Perform site surveillance duties, and video-surveillance in particular;
- Ensure the continuous safety of the persons and premises on the site;
- Take initial emergency response action in the event of an accident, fire, flood, intrusion, etc.

Qualifications and experience:

- We are looking for an "A level" qualification and some professional experience in the security sector.
- You must hold an SIA licence or equivalent with video-surveillance credentials.

Language skills:

As an international research centre, we are particularly keen to ensure that we also attract applicants from outside France. You must have a sound knowledge of English and be willing to learn French (a language course will be paid for by the ILL). Knowledge of German would be an advantage.

Benefits:

Generous company benefits (expatriation allowance), relocation assistance and language courses may be offered (for more information, please consult our employment conditions).

Notes:

Permanent contract.
This post requires "Confidentiel Défense" security clearance (strict administrative investigation).
A category B driving licence is obligatory.
You must be ready to be called into action in the event of a crisis.
The ILL medical service will verify, as a condition of employment, that you are medically fit to carry a firearm and to work under ionising radiation.

How to apply:

Please submit your application before **22/09/2019** via our internet site: http://www.ill.eu/carrieres (job ref. : **19/36**).

We are committed to equal opportunity and diversity; we therefore encourage anyone with relevant qualifications to apply.
