Zentrale Auslands-  
und Fachvermittlung (ZAV)

The Zentrale Auslands- und Fachvermittlung (International Placement Office – ZAV) is a special service offered by the German Federal Employment Agency in collaboration with the EURES Netzwerk (network). The ZAV recruits and places job-seekers who are interested in employment in Baden-Württemberg. The service is, of course, completely free-of-charge for you.

The federal state of Baden-Württemberg, located in the south-west of Germany, is one of the most competitive and economically-strong regions in Europe. In addition to many large internationally-active companies, there are also many medium-sized and smaller companies, which are a vital and indispensable pillar of our economy. The job market is stable and the need for skilled workers is great.

We have more than 500 employees worldwide and our own offices in the USA and Asia. We are market leaders in the development, production and worldwide sales of presses and coating systems for surfaces. Our markets are the wood-based, printed circuit board, photovoltaic and plastic card industries. We are a well-established, solid, medium-sized business group with good growth prospects.

Our company is synonymous with innovation, market leadership, customer-orientation and internationality. We are proud of our qualified and dedicated employees who successfully and continuously develop our group of companies.

To strengthen our electrical design capabilities, we are looking for a
