ZAV – International Personnel Service Baden-Wuerttemberg

Bundesagentur für Arbeit

Zentrale Auslands-
und Fachvermittlung (ZAV)

The Center for International and Placement Services (ZAV) is a special services division of the Federal Labor Office in cooperation with the EURES network. The ZAV recruits and places job seekers looking for employment in Baden-Württemberg. We offer international applicants free, independent advice on working and living in Germany, contacts with German employers, and job placement. We can offer consulting services tailored to meet your needs and many other services related to the German job market.

The federal state of Baden-Wuerttemberg situates on the south-west of Germany and is one of the economically strongest and most competitive regions of Europe. Apart from many internationally operating companies, also middle-sized and small business are a carrying and indispensable column of our economy. The labour market is stable and the necessity of skilled labour high.

Perfect and seemingly easy interaction of all components is the key to success. Following this motto, we keep on developing new and highly innovative manufacturing solutions in the field of cleaning, testing and assembly engineering for our customers. We focus on engines, steering systems and gear mechanisms for all the leading automotive manufacturers worldwide.

To complement our team, we are currently looking for

Automation engineers (m/f)

Requirements:

- Successful completion of training as a technician or engineer in electrical engineering, automation technology, mechatronics or computer engineering
- Basic knowledge in PLC programming with Step 7, as well as visualisation by means of Win CC flexible or HMI PRO CS, knowledge in robot programming is of advantage
- High degree of independence, flexibility with respect to working time
- Very good English language skills
- Pronounced willingness to travel (approx. 40 %)
