

Cheese Maker

Number of Posts: 1

Contract Type: Indefinite

Job description:

A dairy, processing 120 tonnes of milk on a daily basis, is looking for a cheese maker to form part of a team of cheesemakers responsible for the preparation of different kinds of cheeses including fresh soft cheese, mozzarella, semi-hard mature cheeses, ricotta and yogurt. Applicants must be willing to work overseas for a definite period of time and have working experience in the dairy sector. Preference will be given to applicants who possess academic qualifications in dairying. In-house training on the industrial production equipment available in the dairy and on the production of the particular cheese and fermented milk products manufactured by the dairy will be given to the right applicant.

Requirements

- Must have previous working experience in the dairy sector
- Have a flexible and positive attitude, and able to work smoothly under pressure
- Be in good physical health
- Be a good team player
- Possess a clean police conduct
- Preference will be given to applicants who possess academic qualifications in dairying
- A diploma in cheese or yogurt production or in dairying would be an asset.

Training provided

In house training will be provided on the specific equipment we have at MDP, but applicants are required to have hands on work experience in cheese and yogurt manufacturing.

Any assistance with accommodation/relocation

Not provided

Any other benefits

Cheese production 12 hour shifts starting from 5am till 5pm Monday to Saturday, day in day out with additional eight hours required on alternate Sundays. There are no night shifts

Salary

€14,170 - €15,380

How will the interviews be held

Face to face interview, Skype
