**Any other information**

Please submit your CV in English and quote the vacancy title in the covering email.

For any candidates that have qualifications from another EU country, you will need to gain the equivalence of these in Malta. MQRIC accept applications by email on [qric.malta@gov.mt](mailto:qric.malta@gov.mt). Should MQRIC request clarification or further information regarding an application, it will contact you for such clarification and information. A receipt by email will be issued for all valid submissions. MQRIC expect all of our clients to submit their applications from their personal email directly to us. In the rare event that an applicant has no personal email, a scanned letter of authorization is requested to verify that email being sent by third user on their behalf is under authorization. More information can be found at this link <https://ncfhe.gov.mt/en/services/Pages/All%20Services/mqric.aspx>.
