

## **Steel Installers (Steel structures)**

**Number of Posts:** 2

**Contract Type:** Indefinite

E&L Enterprises Ltd. is continuing to expand and are currently looking to recruit **steel installers** to join our team on full-time basis and immediate employment.

We are a company which specialises in steel manufacturing for homes and businesses around Malta and Gozo. Our company is always aiming to meet the customer needs.

### **Job description**

As a steel installer you are part of our installation team and your passion into providing an exceptional finalised product which contributes to our high-level of customer satisfaction. You will connect and work with our team to resolve any customer concerns and keep the standards of our products high

### **What will your role entail?**

- Work at heights efficiently, either on the steel directly or from a lift;
- Installation of manufactured steel;
- Make connections and aligning;
- Use proper techniques to lift efficiently and safely;
- Installations of steel structures, gates, balconies, etc...

### **Must haves:**

- 3 years' experience in the same position or similar;
- Take direction and be able to complete tasks with minimal supervision;
- Able to use hand and power tools affectively and safely;
- Must be able to work in a safety-minded team environment;
- Possess a driving license.
- May be requested to work overtime and weekends.

### **Salary**

€20,800/year with the possibility of overtime

## Vacancy Additional Information

### **Any other information**

If you love working with people and if you have knowledge of steel manufacturing, we are interested in meeting with you.

E&L Enterprises Ltd would like to reassure you that despite these very challenging times, they are taking all necessary precautions whilst providing a safe working environment for all their employees.

### **How to apply**

Please submit your CV and covering email In English to the EURES Malta Team on [eures.recruitment.jobsplus@gov.mt](mailto:eures.recruitment.jobsplus@gov.mt). Please quote the vacancy name and number in your email.
