Nurse and Pre – Reg Nurse

Location: Ashbourne/Ratoath | Clontarf | Dublin 11

Duties & Experience

Carrying out a range of duties within the day to day programme of person centred care and well being of residents in the nursing home. Assisting with rising from bed, washing dressing, general hygiene. Assisting with meals and with retiring to bed when required.

Applications:

must have a qualification as a nurse, should have ideally worked in a nursing home for at least one year. Excellent references and garda clearance is required.

We have developed an exciting and rewarding programme for newly qualified nurses, which will provide you with excellent work experience and further education and training opportunities.

What is the offer & salary?

As a graduate nurse, we would like you to first of all start working with us as a **Pre-Reg Nurse**. This will allow you time to settle in to the country, **improve your English language skills and get to know the nursing home sector better.**

During this time, you will earn **€570 gross per week**. You should allow at least 6 months for this.

We will then provide you with training and induction so that you can start work as a Staff Nurse. **While working as a nurse you will earn €800 gross per week.**

Please note in order to work as a Staff Nurse you will have to be registered with NMBI. An EU nurse needs to meet the required English language level before they can register with NMBI. Two tests are acceptable – IELTS 7 OET.

Progression Opportunity

Once you have completed 2 years' service with us as Staff Nurse, you are eligible for sponsorship for a **Post-Graduate qualification in nursing.**

If you are successful in your application to us, we will assist you with settling in, finding accommodation, registering with all the relevant authorities, and will provide you with a thorough induction and training programme.

Benefit

Eventuali benefit e step individuali da seguire prima dell'inserimento lavorativo da concordarsi con l'azienda ed i consulenti EURES.

Monitoraggio e supporto da parte della rete EURES ITALIA-IRLANDA

I Candidati possono usufruire dei programmi comunitari a sostegno della mobilità YFEJ e
